

Celebrating the Young Child!

SEPTEMBER

K2

Art Appreciation

August 31– Sept. 11, 2015

This unit is designed to let the children explore their "Creative side" The children will be introduced to several famous artists and composer/musicians as well as different instruments. The Children will learn how to use different art mediums to create different types of artwork. As the children are creating their masterpieces, they will listen to classical music by famous composers such as Mozart and Bach. The children will learn about the different instruments and the different sounds they make. The Children will be introduced to art and music with "A touch Of Class"

Community Helpers

September 14-25, 2015

Through songs, poems, books, discussions and activities the children will learn about the different types of jobs that people have in a community. The children will learn how each job is important to the functioning of a community. The children will learn that the community helpers are special and because they are contributing to the community and allowing it to function.
