Hearts, Friendships, and Feelings February 5—16

Famous Americans February 19—March 2

Through songs , poems, books, discussions and activities the children will learn about the friends and friendships, feelings, hearts and the celebration of Valentine's Day. The children will see how feelings and friendships can be related and how the heart plays a major role in both feelings and friendships.

The children will learn that presidents day Honors the contributions of two of the United States greatest Presidents, George Washington and Abraham Lincoln.
