

Water Safety Month

May 1 - 5, 2017

Sunday May, 13 2018

## Families

April 30 — May 11

**The Family Book**  
Todd Parr

**All Kinds of Families**  
A Lift-the-Flap Book  
Illustrated by Hanneli Potter

**All Kinds of Families!**  
Mary Ann Hoberman

**A Mother for Choco**  
Keiko Kasza

**The New Baby**  
Whitney First Experiences

The family unit is an important aspect of every child's life. Some children may come from a family with a mom and dad as well as brothers and sisters, some may come from single parent homes, some may live with relatives instead of their parents and some may have been adopted into the family. Whatever the case may be, it is important for a child to

## Travel by Water

May 14 — 25

**Boats**  
Byron Barton

**Pool And Water Safety**

**WATER TRAVEL**

**Row, row, row your boat**  
Penny Dann

**Orelana - Corbala's Ocean Voyages!**  
25 Reflections

An important part of learning about the water is learning about how we can "Travel by Water". This unit will provide the children with information on the ways in which we can get from place to place through the water.
