

Authorization for Prescription(s) and Non-Prescription(s)

The only prescription medications administered will be epi-pens, nebulizer medications, and bronchial inhalers.

Prescription medications must be in the original container labeled by a pharmacy or physician with the child's name, name of physician and contact information, medication name, dosage instructions, and expiration date. Parents must also attach the **side effect brochure** that is provided when the prescription is filled.

The only non-prescription medications administered will be sunscreen, bug repellent, diaper cream, and lip balm.

Even though this school is not required to administer medication, we will extend the service as a courtesy providing the medication meets the requirements above, this document is signed by the parent or legal guardian, and the side effect brochure is attached. Medication that has expired or is no longer being administered shall be returned to the parent or legal guardian.
